Dear [Recipient Name],

I am writing to formally request an environmental tax exemption for my investments in renewable energy. My [company/project] has made significant strides in implementing sustainable practices and utilizing renewable energy sources, including [mention specific technologies, e.g., solar panels, wind turbines, etc.].

As per the requirements for tax exemption under [cite relevant laws or regulations], I have attached the necessary documentation evidencing my investments and their positive impact on the environment. These investments align with our shared goals of promoting sustainability and reducing carbon emissions.

I appreciate your consideration of this request and am eager to discuss further steps that may be necessary to facilitate the exemption process. Please feel free to contact me at your earliest convenience.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
