Dear [Taxpayer's Name],

We are writing to provide clarification regarding the Alternative Minimum Tax (AMT) as it pertains to your recent tax filings.

The AMT is designed to ensure that individuals who benefit from certain exclusions, deductions, or credits pay at least a minimum amount of tax. If you find that your taxable income exceeds certain thresholds, you may be subject to AMT calculations.

Should your [insert year] tax return indicate AMT liability, we recommend reviewing the following points:

- Review applicable income thresholds.
- Examine potential AMT adjustments that may apply to your situation.
- Consult with a tax professional to accurately determine your liability.

For additional details, please refer to IRS Publication 525 or visit the IRS website directly.
