

Graduated Tax Bracket Overview

Dear [Client's Name],

As part of our ongoing financial advisory services, we have prepared an overview of the graduated tax brackets applicable to your financial situation for the year [Tax Year]. Understanding these brackets will help you make informed decisions regarding your income and potential tax liabilities.

Understanding Graduated Tax Brackets

Graduated tax brackets are designed to impose higher tax rates on higher income levels. Below is a summary of the current tax brackets:

Tax Rate	Income Range
10%	\$0 - \$10,275
12%	\$10,276 - \$41,775
22%	\$41,776 - \$89,075
24%	\$89,076 - \$170,050
32%	\$170,051 - \$215,950
35%	\$215,951 - \$539,900
37%	Over \$539,900

Please note that these rates may vary based on filing status (single, married filing jointly, etc.). We can help you determine your filing strategy to optimize your tax liabilities.
