Subject: Proposal for Additional Incentives in Special Economic Zones

Dear [Recipient Name],

I hope this letter finds you well. I am writing to propose the consideration of additional incentives for businesses operating within Special Economic Zones (SEZs) to enhance economic growth and attract foreign investments.

As we are aware, SEZs have been instrumental in fostering economic development and creating job opportunities. However, to further boost their effectiveness, I suggest the following incentives:

- Tax holidays for new businesses for up to five years.
- Subsidized utility rates for manufacturing sectors.
- Streamlining regulatory frameworks to facilitate quicker approvals.
- Enhanced infrastructure development support.

Implementing these incentives would not only benefit the businesses within the SEZs but also contribute significantly to the overall economic landscape.

Thank you for considering this proposal. I look forward to your positive response and to discussing this matter further.

Sincerely,
[Your Name]
