

Follow-Up on Tourism Industry Tax Incentive

Dear [Recipient's Name],

I hope this message finds you well. I am writing to follow up on our previous discussion regarding the tax incentives for the tourism industry that were proposed in the recent policy review.

As you may recall, these incentives are crucial for enhancing the growth and sustainability of our tourism sector, especially in the challenging economic climate we are currently facing. I would appreciate any updates you may have on the status of this proposal and any further steps we can take to support its implementation.

Thank you for your attention to this important matter. I look forward to your prompt response.

Best regards,
