Dear [Recipient's Name or "To Whom It May Concern"],

I am writing to request information regarding potential tax rebates available for low-income households in our municipality. As a resident of [Your Municipality] and someone who is currently facing financial challenges, I would greatly appreciate any details you can provide about the eligibility criteria, application process, and deadlines for any available programs.

Additionally, if there are resources available to assist with the application or further inquiries, I would be grateful for that information as well.

Thank you for your assistance in this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
