Dear [Recipient Name],

I hope this message finds you well. I am writing to formally withdraw my acceptance of the athletic scholarship awarded to me for the [insert sport] at [University/College Name]. After careful consideration, I have decided to pursue a different path that does not include my participation in athletics at this time.

I sincerely appreciate the opportunity and support that has been provided to me during the scholarship application process. It has been a difficult decision, as I value the incredible opportunities that the scholarship represents.

Thank you once again for your understanding and support. I wish the program and the team continued success in the future.

Sincerely,
