

# Follow-Up After Research Project Mentorship Discussion

Dear [Mentor's Name],

I hope this message finds you well. I wanted to extend my gratitude for the insightful discussion we had regarding my research project on [Project Topic] during our recent meeting on [Date]. Your guidance and suggestions were invaluable in helping me refine my approach.

As we discussed, I am eager to implement the feedback you provided on [specific feedback or suggestion]. I believe it will enhance my research significantly. Additionally, I would appreciate any further resources or contacts you could recommend that might aid in my project.

I would love to keep you updated on my progress and would be grateful for any additional insights you might have. Please let me know if you are available for a follow-up meeting or if I should keep you posted via email.

Thank you once again for your support and mentorship. I look forward to hearing from you soon.

Best regards,
