Subject: Feedback on Academic Advising Services

Dear [Advisor's Name],

I hope this message finds you well. I would like to take a moment to provide feedback regarding the academic advising services I have received during my time at [University/College Name].

Firstly, I appreciate the time and effort you dedicated to helping me navigate my academic journey. Your insights on course selection and career advice have been invaluable. The resources you provided made a significant difference in my understanding of the options available to me.

However, I believe there is room for improvement in response times to emails and phone calls. At times, I felt a bit uncertain due to delayed communications, which impacted my ability to make informed decisions promptly.

Overall, I am grateful for your support and guidance. I would recommend enhancing communication speed for a more streamlined advising experience.

Thank you for all you do. I look forward to our continued collaboration.

Sincerely,
