Subject: Digital Marketing ROI Analysis Report

Dear [Recipient Name],

I hope this message finds you well. As part of our ongoing efforts to assess the effectiveness of our digital marketing campaigns, I have performed a thorough ROI analysis based on the most recent data.

Overview

This analysis focuses on the performance of our social media, email, and PPC campaigns over the last [time frame]. The objective is to evaluate the return on investment and optimize future marketing strategies.

ROI Calculation

The total investment in our digital marketing efforts was [total investment amount]. The total revenue generated from these efforts reached [total revenue amount]. Therefore, the ROI can be calculated as follows:

$$\text{ROI} = (\text{Total Revenue} - \text{Total Investment}) / \text{Total Investment} * 100\%$$

Resulting in an ROI of [ROI percentage] %.

Highlights

- Social Media Campaign: [Results]
- Email Marketing: [Results]
- PPC Campaign: [Results]

Recommendations

Based on this analysis, I recommend the following actions to improve our ROI:
