

Youth Camp Leader Health and Safety Guidelines

Dear Camp Leaders,

As we prepare for our upcoming youth camp, it is essential to ensure the health and safety of all participants. Please adhere to the following guidelines:

1. Emergency Contacts

Ensure that you have a list of emergency contacts for all campers and staff. Keep this information accessible at all times.

2. Medical Conditions

Collect and review any medical information relevant to campers' health conditions. Be prepared to address specific needs.

3. First Aid Kit

A well-stocked first aid kit should be available at all times. Designate a trained staff member to manage it.

4. Safety Briefing

Conduct a safety briefing for all campers upon arrival, covering camp rules, emergency procedures, and location of safety resources.

5. Supervision Ratios

Maintain appropriate supervision ratios to ensure campers' safety and well-being during all activities.

6. Health Protocols

Follow guidelines for hygiene and health protocols, including regular hand washing and sanitization of communal spaces.

Thank you for your commitment to making this camp a safe and enjoyable experience for all participants.

Sincerely,
Your Name
Youth Camp Coordinator
