

Dear Community Members,

We are excited to announce our upcoming community engagement initiatives aimed at enhancing our local parks and fostering a greater connection between our residents and the natural environment.

Upcoming Events:

- **Park Clean-Up Day:** Saturday, March 15th, 10 AM - 2 PM
- **Nature Walks:** Every Sunday at 9 AM, starting at the Visitor Center
- **Wildlife Workshops:** Monthly sessions on wildlife conservation and education

We encourage everyone to participate in these activities to help preserve our beloved park and learn more about the local ecosystem. Your involvement is crucial for maintaining the beauty and health of our green spaces.
