Dear [Recipient Name],

We hope this message finds you well. We have conducted a thorough review of your recent freight transport proposal entitled "[Proposal Title]." We appreciate the detailed approach your team has taken in addressing our logistics needs.

After careful consideration, we would like to highlight the following key points:

- **Cost Efficiency:** Your proposed rates are competitive and align with our budgetary constraints.
- **Reliability:** We value your commitment to consistent delivery timelines and service quality.
- **Flexibility:** The options provided for potential changes in scheduling are greatly appreciated.

However, we do have some queries regarding the following aspects:

1. Clarification on handling procedures for fragile goods.
2. Details on tracking capabilities throughout the shipping process.

We would appreciate it if you could address these points at your earliest convenience. Once we receive your insights, we can schedule a follow-up meeting to discuss the proposal in more detail.

Thank you for your attention to this matter. We look forward to your prompt response.

Sincerely,
