Dear [Recipient's Name],

I am excited to present a film proposal for my latest horror movie, "Whispers in the Shadows." This gripping tale explores the dark corners of human nature, set against the backdrop of an abandoned asylum notorious for its haunted past.

Plot Summary:

When a group of young filmmakers enter the asylum to document its haunting legends, they unwittingly awaken the tormented spirits trapped within. As they face escalating supernatural occurrences, their bond is tested, leading to a race against time to escape the horrors that lurk in the shadows.

Genre: Horror

Target Audience: 18-35, horror enthusiasts, found footage fans

Director's Vision:

My intention is to create an atmospheric and haunting experience that lingers long after the credits roll. By using practical effects, immersive sound design, and an unsettling score, I aim to immerse the audience in a chilling narrative that reflects their deepest fears.
