[Investor's Title]

[Investor's Company]

[Investor's Address]

[City, State, Zip Code]

Dear [Investor's Name],

We are excited to present to you an innovative opportunity in the biotechnology sector. [Your Company Name] is dedicated to [brief description of company's mission and vision]. We specialize in [brief description of technology or product], which aims to [problem your product solves].

With the increasing demand for [related industry demand], our breakthrough solution has the potential to transform [specific applications or markets]. We've successfully completed [mention any relevant milestones, studies, or partnerships] and are seeking strategic investment to propel our next stage of growth.

We are looking for [specific amount] in venture capital to [use of funds, e.g., expand R&D, clinical trials, marketing]. In return, we are offering [equity percentage or other terms]. We believe that your expertise and existing portfolio in the biotech sector will help us achieve our vision and generate substantial returns.

We would appreciate the opportunity to discuss this proposal further. I am happy to arrange a meeting at your convenience or provide additional documentation regarding our business model, financial projections, and market analysis.

Thank you for considering our proposal. We look forward to the possibility of working together to revolutionize the biotechnology landscape.

Sincerely,

[Your Name]
