Subject: Proposal for [Title of the Research Project]

Dear [Name of Funding Agency Representative],

I am writing to submit a proposal for grant funding to support our research project titled "[Title of the Research Project]." This project aims to [briefly describe the goals and significance of the research].

Our research team comprises [briefly describe the team and their qualifications]. We believe that this project will [explain the potential impact of the project on the field of biotechnology].

We are requesting a total of [amount of funding] to cover [briefly outline budget categories].

Please find attached the detailed proposal, including our research plan, timeline, and budget. We appreciate your consideration of our request and look forward to the possibility of working together to advance biotechnology research.

Thank you for your attention to this proposal. I would be happy to discuss this project further at your convenience.

Sincerely,

[Your Name]
