Program Overview

- One-month free membership for every 5 referrals
- Discounts on personal training sessions
- Exclusive merchandise or fitness gear

Goals and Benefits

The primary goals of this program are to:

- Increase our member base by [Insert Target Number]
- Enhance member retention
- Foster a sense of community and encouragement among members

Implementation Plan

The program will be launched through:

- Email campaigns to existing members
- Promotions on social media
- Posters and flyers within the gym premises

I believe that this referral program will not only motivate our current members but also contribute to the growth and success of [Insert Gym Name]. I would love to discuss this proposal further and look forward to hearing your thoughts.

Sincerely,
