

Marine Research Proposal Evaluation

Date: [Insert Date]

To: [Insert Recipient's Name]

From: [Insert Evaluator's Name]

Subject: Evaluation of Marine Research Proposal titled "[Insert Title]"

Dear [Recipient's Name],

Thank you for submitting your research proposal titled "[Insert Title]". After careful consideration, I would like to provide you with my evaluation based on the following criteria:

1. Relevance

[Brief assessment of how relevant the topic is to marine research.]

2. Objectives

[Assessment of clarity and feasibility of objectives.]

3. Methodology

[Comments on the proposed methods for conducting the research.]

4. Impact

[Evaluation of the potential impact on the field of marine science.]

5. Budget

[Comment on the budget and its justification.]

Overall, I believe that your proposal presents [Insert summary of overall impression]. I recommend [Insert recommendation: approval, revision, etc.].

Thank you for your efforts in advancing marine research.

Sincerely,

[Your Name]

[Your Position]

[Your Institution]
