Subject: Feedback on Proposal for Marine Resource Management

Dear [Recipient's Name],

Thank you for submitting your proposal on marine resource management. We appreciate your comprehensive approach to addressing the challenges faced in the sector. Below, please find our feedback:

Strengths:

- Thorough background research and data analysis.
- Clear objectives and milestones for project implementation.
- Engagement strategies with local communities are commendable.

Areas for Improvement:

- Consider expanding the budget section to provide more clarity.
- Include more specific metrics for evaluating project success.
- Address potential environmental impacts in further detail.

We believe that with some revisions, your proposal can greatly contribute to the sustainable management of marine resources. Please feel free to reach out if you would like to discuss this feedback in further detail.

Best regards,
