Dear [Publisher's Name],

I am writing to propose a poetry anthology titled "[*Anthology Title*]" that brings together a diverse collection of voices from both established and emerging poets. This anthology aims to explore themes of [insert themes, e.g., love, nature, identity, etc.], offering readers a rich tapestry of experiences and emotions.

The anthology will feature approximately [insert number] poems from [insert number] poets, including [mention notable poets if applicable]. Each poet provides a unique perspective, demonstrating the breadth and depth of contemporary poetry.

I believe this anthology would be a valuable addition to your catalog, appealing to audiences who appreciate eloquent and thought-provoking poetry. I have attached a detailed outline, sample poems, and a list of contributors for your review.

I look forward to the possibility of bringing "[*Anthology Title*]" to life with [Publisher's Name]. Thank you for considering this proposal. I am eager to discuss it further and am open to any suggestions you may have.

Sincerely,
