Dear [Recipient's Name],

I am writing to propose the development of an Urban Forestry project in [specific location/area]. Our aim is to enhance the green spaces within the community, improve air quality, and promote biodiversity.

The project will involve the planting of [number] trees and the establishment of green corridors in [specific area]. This initiative will also engage local residents through workshops and volunteer planting days.

We are seeking an allocation of [amount] from [funding source or organization] to cover the costs associated with tree procurement, site preparation, and community engagement activities.

This endeavor aligns with our mission to promote environmental sustainability and improve the quality of life for our residents. We believe that investing in urban forestry will yield long-term benefits for our community.

Thank you for considering this proposal. I look forward to your positive response.

Sincerely,
