Dear [Recipient Name],

I am writing to propose a partnership between [Your Organization] and [Recipient Organization] in pursuit of funding for innovative medical research aimed at [briefly describe the research focus]. Our organizations share a commitment to advancing healthcare and improving patient outcomes, which makes this collaboration particularly promising.

With the rising challenges in [mention specific medical field or issue], we believe that our combined expertise could lead to groundbreaking developments. Our preliminary research indicates that [insert key information or statistic that highlights the need for research]. We are seeking funding of [insert amount] to support this vital initiative.

We propose to [briefly outline the objectives and methodologies of the research]. Collaborating with [Recipient Organization] will bring together our unique resources and knowledge, enhancing the quality and reach of our findings.

I would welcome the opportunity to discuss this proposal in more detail and explore how we can align our mutual interests for a successful partnership. I will follow up with you next week to see if we can schedule a meeting at your convenience.

Thank you for considering this partnership proposal. I look forward to the possibility of working together to make a significant impact in the field of medical research.

Sincerely,

[Your Name]
