Dear [Recipient Name],

I am writing to express our intention to apply for funding for a sustainable Botanical Garden Project aimed at promoting biodiversity, education, and community engagement. Our project seeks to enhance the local environment while providing a valuable resource for both residents and visitors.

The proposed garden will feature native plant species, educational workshops, and a variety of community events aimed at fostering an appreciation for nature and horticulture.

We are seeking a grant of [insert amount] to support the initial setup and operational costs of the garden. This funding will be instrumental in making this vision a reality.

Thank you for considering our application. We are eager to provide further details and discuss how your support will contribute to our community and the environment.

Sincerely,
