Dear [Insert Recipient Name],

We, the undersigned participants of the [Insert Program Name], are writing to formally request the collection of written experiences and feedback from individuals who have taken part in this program. We believe that documenting our experiences will provide valuable insights and improvements for future iterations of the program.

The purpose of this petition is to gather a diverse range of perspectives that reflect our collective experiences, challenges, and successes. We propose that the written accounts be compiled into a report that can be shared with stakeholders and used to enhance the program's impact.
