

Letter of Results Disclosure

Date: [Insert Date]

To: [Recipient's Name]

[Recipient's Address]

Dear [Recipient's Name],

We hope this letter finds you well. We are writing to provide you with important information regarding the health status of [Patient's Name], who is under our care.

Following [his/her/their] recent examination/treatment, we have conducted thorough assessments and would like to share the results with you. It is important that you understand the nature of [Patient's Name]'s condition, treatment options, and any necessary follow-up actions.

Health Status:

[Brief description of the patient's health status and any relevant findings]

Treatment Recommendations:

[Details of recommended treatments, therapies, or interventions]

Next Steps:

[Information on follow-up appointments or required actions]

We understand that this information may be concerning, and we are here to support both [Patient's Name] and you through this process. Please feel free to reach out if you have any questions or need further clarification.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
