- Reduce pollution and promote waste management.
- Engage community members in planning and execution.

Key Initiatives:

1. Regular community clean-up drives.
2. Installation and maintenance of public restrooms.
3. Workshops on waste segregation and recycling.
4. Collaboration with local businesses for support and resources.

We believe that by working together, we can create a cleaner and healthier environment for all. Your input and support are invaluable, and we encourage you to participate in upcoming town hall meetings and workshops.
