Dear [Client's Name],

We are committed to providing a safe and sterile environment for all our clients. Our facility adheres to strict sterilization protocols to ensure your health and safety. Below are key points of our sterilization policy:

- All equipment is sterilized before and after each use.
- We utilize autoclaving and other validated sterilization methods.
- Routine monitoring and maintenance of our sterilization equipment.
- Staff training on proper sterilization procedures and practices.
- Regular audits to ensure compliance with health and safety regulations.

If you have any questions or concerns regarding our sterilization practices, please feel free to reach out to us at [Contact Information].

Thank you for choosing our facility.

Sincerely,
