Dear [Recipient's Name],

We are writing to formally request funding support from [Government Agency Name] to expand our health services at [Your Organization Name]. As a vital provider of healthcare in our community, we recognize the growing demand for improved health services, particularly in [specific area or demographic].

Over the past few years, we have seen a substantial increase in patient numbers and a corresponding need for enhanced facilities, equipment, and staffing. With your support, we aim to implement a comprehensive expansion plan that includes [briefly outline key components of the expansion, e.g., new facilities, specialized services, or outreach programs].

The total cost of the proposed expansion is estimated at [total amount], and we are seeking a grant of [amount you are requesting] from [Government Agency Name] to assist with this initiative. We have outlined our project objectives, budget estimates, and expected outcomes in the attached proposal.

We believe that this investment will not only improve the health outcomes of our current patients but also attract new patients and support the public health goals of our community. We are committed to ensuring that our services remain accessible and of the highest quality.

Thank you for considering our request. We look forward to the opportunity to discuss this further and to work together to enhance health services in our community.

Sincerely,

[Your Name]
