## **Subject: Proposal for Extension of Software Licensing Agreement**

Dear [Recipient's Name],

I hope this message finds you well. We are reaching out to discuss the upcoming expiration of our current Software Licensing Agreement dated [Original Agreement Date]. Given the success of our collaboration and the value that [Software/Program Name] has brought to both our organizations, we would like to propose an extension of the existing agreement.

We propose to extend the license for an additional [duration of extension, e.g., "one year"] under the same terms and conditions as outlined in the original agreement, with the following updates [mention any updates or changes if applicable].

We believe that this extension will continue to support our mutual goals and foster further innovations and efficiencies. Please let us know a suitable time for a meeting to discuss this proposal in detail.

Thank you for considering our request. We look forward to your positive response.

Sincerely,
