Dear [Pest Control Company Name],

I am writing to inquire about your pest control services for our commercial establishment located at [Your Business Address]. We have recently experienced signs of pest activity and would like to address this issue promptly to ensure a safe and healthy environment for our employees and customers.

Could you please provide the following information:

- Types of pest control services offered
- Pricing details and service packages
- Availability for an initial consultation
- Information on safety measures and products used

We appreciate your prompt response, as we are eager to resolve this matter quickly. Thank you for your assistance.

Sincerely,
