Dear [Pest Control Company Name],

I hope this message finds you well. I am writing to inquire about your preventive maintenance plans for pest control services. As a property owner, I understand the importance of regular maintenance to prevent infestations and to maintain a healthy environment.

Could you please provide me with information on the following:

- Types of preventive maintenance plans available
- Pricing details and any contractual obligations
- The frequency of service visits included in the plans
- Any additional services you recommend for effective pest control

I would appreciate your prompt response, as I am looking to arrange a plan as soon as possible. Thank you for your attention to this matter.

Best regards,
