Dear [Consultant's Name],

I am writing to formally request a cyber security consulting evaluation for our organization, [Your Company Name]. As cyber threats continue to evolve, it is essential that we assess our current security measures and identify areas for improvement.

We are particularly interested in understanding the following:

- Vulnerability assessment of our current systems
- Recommendations for enhancing our cybersecurity posture
- Compliance with industry standards and regulations

We would appreciate it if you could provide us with your availability for an initial consultation to discuss this evaluation further. Please feel free to reach me directly at [Your Phone Number] or [Your Email Address].

Thank you for your attention to this important matter. We look forward to your prompt response.

Sincerely,

[Your Name]
