Dear [Client's Name],

I hope this message finds you well. I would like to take this opportunity to discuss the current rates for my freelance services.

Firstly, I want to express my gratitude for the work we have accomplished together. I am proud of the projects we have completed and the impact they have had on [Client's Company].

After reviewing my current freelance rates and assessing the market standards, I believe that an adjustment is warranted to reflect the quality and value I provide. Therefore, I propose an hourly rate of [Proposed Rate] moving forward.

I am confident that with this adjustment, we can continue to produce outstanding results for your projects. I would be happy to discuss this further at your convenience.

Thank you for considering my request. I look forward to your response.

Best regards,
