

Subject: Proposal for Adjusted Freelance Rates

Dear [Client's Name],

I hope this message finds you well. I would like to take this opportunity to discuss my current freelance rates in light of the recent projects we have worked on together.

Over the past [duration], I have thoroughly enjoyed collaborating with you and contributing to [specific project or task]. As my experience and skills have grown, I feel it is an appropriate time to revisit my rate structure.

Based on the current market rates and the value I provide through [specific skills or services], I propose an adjustment of my rate from [current rate] to [proposed rate]. I believe this reflects the quality and dedication I put into each project.

I am open to discussing this further and finding a solution that meets both our needs. Please let me know a suitable time for us to chat.

Thank you for your understanding, and I look forward to your feedback.

Best regards,
