Subject: Feedback on Double Degree Program Offer

Dear [Recipient's Name],

I hope this message finds you well. I would like to take this opportunity to provide feedback regarding the recent offer for the double degree program.

Firstly, I appreciate the initiative taken by the institution to provide students with diverse academic opportunities. The concept of a double degree program is indeed appealing, as it allows for a broader educational experience and enhances employability in today's competitive job market.

However, I have some concerns regarding the program structure and the potential impacts on workload and academic performance. It may be beneficial to have additional resources and support systems in place to assist students in managing the demands of both degrees.

Overall, I am excited about the prospects this program offers and hope to see further improvements that will ensure its success. Thank you for considering my feedback. I look forward to your response.

Best regards,
