Dear [Supplier Contact Name],

We are committed to maintaining the highest standards of data security and protecting the integrity and confidentiality of our data. As a valued supplier, we require your commitment to adhere to our data security standards as outlined below:

- Compliance with applicable data protection laws and regulations.
- Implementation of technical and organizational measures to safeguard our data.
- Regular security assessments and audits to ensure compliance.
- Immediate notification of any data breaches or security incidents.

By signing this letter, you agree to uphold these standards and work collaboratively with us to ensure the security of any data we share.

Thank you for your cooperation and commitment to data security.

Sincerely,
