As part of our commitment to maintaining a resilient supply chain, we have developed a Supply Chain Risk Mitigation Policy aimed at identifying, assessing, and managing potential risks that could impact our operations.

This policy outlines our proactive approach to mitigating risks associated with suppliers, logistics, regulatory compliance, and market dynamics. Key components include:

- Supplier Risk Assessment
- Contingency Planning
- Regular Monitoring and Review
- Training and Awareness Programs

We believe that implementing this policy will not only protect our operations but also enhance our ability to serve our customers effectively.
