Dear [Supplier's Name],

I hope this message finds you well. I am writing to formally express my concerns regarding the pricing strategies employed by your company and to appeal for greater transparency in this area. As a valued partner, it is essential that we maintain open lines of communication about costs and pricing structures to foster a mutually beneficial relationship.

We believe that transparency in pricing will not only enhance our collaboration but will also help us make informed decisions that better align with our business strategies. Understanding the underlying factors that influence your pricing will lead to more effective planning and budgeting on our end. Kindly provide us with a detailed breakdown of your pricing strategies, including any variables that could impact costs.

We appreciate your attention to this matter and look forward to your prompt response. Together, we can work towards a more transparent and trusting partnership.
