Dear [Recipient Name],

At [Your Company], we recognize the significant impact that a diverse supplier base can have on our community and overall business success. We are committed to actively expanding our supplier diversity initiatives and working with businesses owned by underrepresented groups.

This commitment includes:

- Setting measurable diversity goals.
- Providing training and resources to diverse suppliers.
- Creating sustainable relationships with diverse businesses.
- Regularly reporting our progress towards these goals.

We believe that fostering diversity in our supply chain will not only strengthen our company but also contribute to the economic empowerment of our communities. We look forward to collaborating with you and other stakeholders in this essential initiative.

Sincerely,
