[Supplier's Address]

Dear [Supplier's Contact Name],

As part of our commitment to sustainability and reducing our carbon footprint, we are implementing a comprehensive Greenhouse Gas (GHG) Reduction Strategy. We recognize the critical role our suppliers play in achieving these goals. We kindly request your collaboration in formulating and executing a GHG reduction plan in alignment with our sustainability initiatives.

Objectives

- Identify and measure GHG emissions associated with your operations.
- Implement targeted strategies to reduce overall emissions.
- Report progress annually to [Your Company Name].

Action Steps

1. Conduct a GHG emissions audit.
2. Set specific, measurable reduction targets.
3. Develop and share your reduction strategy with us by [Due Date].

We look forward to your proactive engagement in this initiative, helping us create a more sustainable future. Please feel free to reach out with any questions or for further clarification on our expectations.

Thank you for your commitment to sustainability.

Sincerely,
