

# Supplier Sustainability Target Agreement

Date: [Insert Date]

To: [Supplier Name]

Address: [Supplier Address]

Dear [Supplier Contact Name],

We are pleased to present you with this Supplier Sustainability Target Agreement, which outlines our mutual commitment to sustainable practices and environmental responsibility. Our objectives include minimizing our carbon footprint, promoting ethical sourcing, and ensuring sustainable resource management.

## 1. Sustainability Targets

- Reduce greenhouse gas emissions by [insert percentage]% by [insert year].
- Increase the use of recycled materials in products by [insert percentage]% by [insert year].
- Achieve zero waste to landfill by [insert year].

## 2. Reporting and Review

We request that you provide quarterly reports outlining progress towards these sustainability targets. Reviews will be conducted annually to assess compliance and make necessary adjustments.

## 3. Collaboration and Support

We are committed to supporting you in achieving these targets. This may include resources, training, and sharing leading practices in sustainability.

By signing below, you acknowledge your commitment to these sustainability targets and agree to work collaboratively towards achieving them.

Sincerely,

[Your Name]
