Dear [Lender's Name],

I hope this message finds you well. I am writing to formally request a temporary break from my mortgage repayments due to a disabling illness that I am currently facing.

Due to [briefly explain the nature of the illness], I have been unable to maintain my usual work schedule, which has significantly impacted my financial situation. I have attached medical documentation that outlines my condition and its effects.

I kindly request that you consider allowing me a mortgage break of [specify duration] as I work through these challenging circumstances. I believe that this temporary relief will enable me to focus on my recovery without the added stress of mortgage payments.

Thank you for considering my request. I appreciate your understanding and look forward to your positive response. Please feel free to contact me at [your phone number] or [your email address] if you need any more information.

Sincerely,
