Subject: Application for Mortgage Forbearance

Dear [Lender's Name],

I hope this message finds you well. I am writing to formally request a mortgage forbearance on my loan account [Account Number] due to personal health struggles I have been facing.

Unfortunately, due to [briefly describe your health condition], I have encountered unexpected financial difficulties that have hindered my ability to make timely mortgage payments. My situation has required significant medical attention and expenses, which I am currently managing.

I kindly request a forbearance period of [duration of forbearance requested], during which I hope to stabilize my financial situation. I believe this temporary relief will allow me to recover and ultimately continue to meet my mortgage obligations.

Thank you for considering my request. I am willing to provide any necessary documentation or medical records to support my application. I appreciate your understanding and support during this challenging time.

Sincerely,
