Dear [Loan Servicer's Name],

I am writing to formally request a deferment on my student loans due to my active military duty. I have been called to serve in [specific military duty or deployment details], which began on [start date] and is expected to continue until [expected end date].

As a result of my military obligations, I am unable to make my scheduled loan payments and wish to take advantage of my rights under the Servicemembers Civil Relief Act (SCRA). Enclosed are the necessary documents to verify my military status, including my deployment orders.

I appreciate your understanding and support during this time, and I look forward to your prompt response to my request for deferment.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
