To Whom It May Concern,

I am writing to express my support for [Student's Name], who is applying for a deferment of their student loans due to their service in the military. As [Your Relationship to the Student], I have witnessed firsthand the dedication and commitment [Student's Name] has shown to their country.

[Student's Name] is currently serving in the [Branch of Military] and has been deployed in [Location, if applicable]. This service has significantly impacted their ability to maintain regular monthly loan payments. Deferment of their student loans would greatly assist them during this time, allowing them to focus on their responsibilities as a service member without the added stress of financial burdens.

It is my belief that supporting our military personnel in their educational and financial needs is of utmost importance. I respectfully urge you to consider [Student's Name]'s application for loan deferment favorably.

Thank you for your attention to this matter.

Sincerely,
