## **Subject: Request for Mortgage Relief Due to Recent Redundancy**

Dear [Lender's Name],

I hope this message finds you well. I am writing to formally request your assistance regarding my mortgage payments due to my recent redundancy from [Company Name] as of [Date of Redundancy]. This unexpected situation has significantly impacted my financial stability.

Since losing my job, I have been actively seeking new employment opportunities but have yet to secure a position. In the meantime, I am concerned about my ability to meet my mortgage obligations. My mortgage account number is [Account Number], and I have been a loyal customer since [Year].

I kindly request that you consider my situation and the possibility of granting me a temporary relief option, such as deferred payments or a modification of my current payment plan. This would greatly alleviate my financial burden during this challenging time.

Thank you for your understanding and consideration. I look forward to your prompt response to my request.

Sincerely,

[Your Name]
