Dear [Loan Servicer's Name],

I hope this message finds you well. I am writing to formally request an extended deferment of my student loans due to unforeseen family emergencies that have significantly impacted my financial situation.

Due to [briefly explain the family emergency, e.g., "a serious illness of a family member"], I have encountered unexpected expenses and have had to adjust my financial priorities to provide support for my family. As a result, I am currently unable to make my loan payments without compromising my ability to handle these urgent matters.

In light of these circumstances, I kindly ask for your assistance in granting me an extended deferment as I navigate this challenging time. I believe this would allow me to focus on my family's needs and return to a stable financial situation without the additional stress of loan payments.

Thank you for considering my request. I am willing to provide any necessary documentation to support my situation. Please let me know if you require any further information.

Sincerely,
