Dear [Lender's Name],

I am writing to formally request the release of my cosigner, [Cosigner's Name], from the loan agreement for account number [Account Number]. We have met all the agreed-upon payment terms, as outlined in our loan agreement.

As of [Date of Final Payment], we have successfully made all required payments on time and have adhered to the terms of the loan. I believe this demonstrates our capability and intent to maintain financial responsibility.

Accordingly, I kindly ask that you process the release of [Cosigner's Name] from the loan obligation. I appreciate your prompt attention to this matter and look forward to your positive response.

Thank you for your assistance.

Sincerely,
