Dear [Lender's Name],

Subject: Inclusion of Cross-Collateralization Clause

I am writing to formally request the inclusion of a Cross-Collateralization Clause in our existing loan agreement dated [Insert Loan Agreement Date]. This clause will provide additional security for the loan by allowing collateral from other assets to support the primary loan.

Specifically, I propose the following language to be added to our agreement:

"All collateral pledged in connection with this loan shall also serve as collateral for any additional loans made by [Lender's Name] to [Borrower's Name]."

We believe that this addition will benefit both parties by enhancing the security of the loan.

Please review this request and let us know your thoughts at your earliest convenience. Thank you for considering our proposal.

Sincerely,
