Dear [Recipient Name],

Subject: Acceptance of Cross-Collateralization Risk

We are writing to formally acknowledge and accept the risks associated with the cross-collateralization of our assets as discussed in our recent meetings. We understand that this strategy may expose us to certain vulnerabilities, including but not limited to the following:

- Increased financial exposure in case of default
- Potential liquidity issues affecting asset disposal
- Concentration risk across multiple asset classes

However, we believe that the benefits of leveraging our assets for greater financial leverage outweigh the potential risks. We have taken necessary precautions to mitigate these risks and are committed to monitoring our exposure closely.

Please sign and return a copy of this letter to confirm your acceptance of these terms and our mutual agreement on this matter.

Thank you for your cooperation.

Sincerely,
